STATE

OFFICIAL 1985 FOOTBALL PROGRAM

An aerial view of Fort Hays State University depicts the campus many have said is the "prettiest in Kansas." All the buildings are laced with limestone and the new, lush grass and beautiful trees help the campus live up to its reputation.

THIS IS FORT HAYS STATE UNIVERSITY

Fort Hays State University's beautiful tree-lined campus provides students with an attractive educational setting.

The University is located in Hays, a city of more than 17,000 persons, situated about halfway between Kansas City and Denver on Interstate 70 Highway.

Faculty at FHSU numbers more than 300. An additional 280 staff members contribute to the friendly, clean atmosphere found on the campus.

Students at FHSU have the opportunity to pursue a career by selecting from 24 departmental offerings, our school of nursing, or from our pre-professional programs. The University offers degrees including, one-, two-, four-, five- and six-year study programs, and we offer the associate, bachelor's, master's and specialist in education degrees.

Annual enrollment at FHSU is more than 5,000 students. Two-thirds of the student body are graduates of rural Kansas high schools.

The University offers students a variety of extracurricular activities in which to participate. Departmental and profes-

sional clubs, intramurals, varsity athletics, and other groups and activities beckon those with the talent and time to participate.

Four national sororities and five national fraternities maintain chapters here and add to the social, academic and philanthropic activities of student life.

Several concerts are brought to campus each year by the Memorial Union Activities Board. Other entertainment forms come as speakers, dancers or touring groups and individuals.

Fees at FHSU are comparable to other state-assisted institutions in Kansas and considerably less than the private colleges. Persons enrolling in 15 hours of work should be prepared to pay about \$500 each semester at FHSU. Fees do not include the cost of books.

For housing, the University offers two women's residence halls, two men's residence halls, one co-ed hall, and married student housing, all within easy walking distance of classes.

CALL US ... For more information about FHSU, call us TOLL FREE (in Kansas) at 1-800-432-0248, weekdays between 8:00 a.m. and 4:30 p.m.

CAMPUS TOURS ... Are available weekdays by contacting the Assistant Director of Admissions (TOLL FREE: 1-800-432-0248, ext. 5666, or 913-628-5666.)

HAYS CITY ... Is the medical, agricultural, educational, and cultural center for the whole of northwestern Kansas. There are many fine restaurants and motels, businesses, and numerous activities in Hays just waiting for you!

Picken Hall is probably the most identifiable building on the FHSU campus. The stately pillars have been used countless times for photographic purposes.

August 22, 1985

Dear Tiger Football Fans:

Welcome to Fort Hays State University and to Lewis Field Stadium. Have an enjoyable visit. You are always welcome at our fine University.

Tiger football, under the capable John Vincent and his staff, looks exciting this fall. Many fine returning letterman, coupled with the new recruits and a positive, winning attitude should provide us some thrilling gridiron moments.

Our athletic program is one of the finest in America. We sponsor fifteen sports for men and women and attendance figures for our contests are consistently at the top nationally. Our coaches and athletes do their best to have winning seasons and bring to the people of western Kansas the finest sportsmanship and superb competition.

Our new athletic director, Robert Van Poppel, and his staff have our athletic program moving in the direction we desire. We want our athletes to succeed in the classrooms as well as on the athletic fields. We want to mold the complete graduate and prepare him or her for a satisfying and enjoyable life.

We at the University are proud to be able to serve you on or off the athletic fields. Enjoy your stay and if we can be of further service, please call or write. Thank you for your support.

Sincerely,

G. W. Tomanek
President

res

FIGHTING TIGERS 

September 6, 1985

Dear Tiger Fans:

With a great deal of pride I welcome you to Lewis Field. I know that you, as Tiger fans, will enjoy the 1985 rendition of the Fighting Tigers.

Fort Hays State University athletics has been recognized nation wide. That recognition is something this university and the entire community can share.

The goal, strive for excellence in athletics, will take a team effort from the Athletic Department, students, faculty, university officials, alumni, boosters, and the city of Hays. We must all work together in the same direction to achieve this goal.

I sincerely hope coming to Lewis Field will be an enjoyable and exciting experience for you, and one you will want to continue many, many times.

Regards,

Robert Van Poppel
Director of Athletics

JOHN VINCENT / HEAD COACH

John Vincent is the first year head coach of the Tigers. Vincent moves in from the defensive coordinator spot he held for the last three seasons into the position vacated by Bobby Thompson.

The native of Medicine Lodge, KS sees things working out about the way he had hoped in his career. "I've always wanted to do things my way, especially as far as time is concerned," Vincent said. "I had a five year plan. I wanted to be at the college level in 3 to 5 years as a coordinator and then have a chance at being head coach. The way things have worked out it is right along my time schedule."

With experience in the high school and junior college ranks, Vincent has coached at all levels. In 1980-81, he was the defensive secondary coach at New Mexico Military Institute. He has also held head coaching positions at Victoria and Claflin high schools.

Vincent believes the transition from assistant coach to head coach will not be as difficult for him as one might think. "I don't think it was as great as I had thought. There is a lot more administrative type work," he says. "You have to handle all of the problems and the paper work. Setting up a recruiting philosophy was something I have done. We never had a recruiting philosophy until now."

The Tiger head mentor received both his undergraduate and graduate degrees from Fort Hays State. He earned his M.S. in physical education in 1982 and his B.S. in biology in 1971. While working on his masters degree Vincent was a graduate assistant on the FHSU staff.

Vincent attended Kansas State University before finishing his undergraduate work at Fort Hays State. His football playing career was cut short by a stint in the Army. He played cornerback and free safety on Army post teams that competed in inner service games. Vincent went out for Tiger spring ball in 1979 but was unable to play.

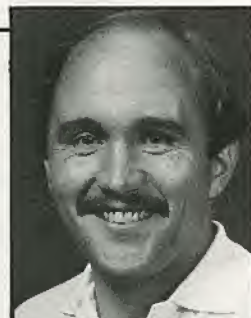

John and his wife, Mary are parents of twin sons, Shiloh and Tanner. The Vincents are expecting a third child in December.

MIKE DEBORD / Assistant Coach

Mike DeBord starts his second season as offensive coordinator for the Tigers. He spent two years, 1982-84, as the offensive line coach at Franklin (IN) College. At Franklin, the Grizzlies were the top NCAA-Division II team in the nation for team passing.

A native of Gaston, IN and a 1978 graduate of Manchester College (IN), DeBord was an honorable mention all-American selection at center. He completed work on his master's degree in physical education in 1980 at Ball State (IN) University. At Ball State, he worked as a graduate assistant with the centers and guards. The Cardinals won the Mid-America Conference in 1979.

From 1979-82, DeBord was the head coach at South Decatur High School in Indiana. Mike and his wife, Deb, have a son Tyler (4).

JEFF BRIGGS / Assistant Coach

Jeff Briggs was named to an assistant coaches post in the spring of 1985. He was a standout running back for FHSU in 1979-82. His coaching duties will include the Tiger offensive line.

During his career Briggs received honorable mention CSIC honors in 1979 and 1980. He was named the Tiger Offensive Player-of-the-Year in 1980. All-CSIC academic honors came his way in 1982.

Briggs is a double graduate of Fort Hays State University with a B.S. in Physical Education (1983) and a M.S. in Physical Education (1984). He assumed graduate assistant coaching duties from the spring of '83 until last spring.

Jeff is a native of Broken Bow, NE. He is married and his wife's name is Joleen.

JEFF CHAMBERS / Athletic Trainer

Jeff Chambers, 26, joined the Tiger athletic staff in July. His primary responsibilities include the prevention, treatment and management of student athletic injuries. He will also assume duties as an instructor in the HPER department.

Chambers will supervise and coordinate a staff of student trainers, which includes instructing them and assigning them to cover FHSU sporting events. He is a certified member of the National Athletic Trainers Association (NATA).

The native of Aurora, NE, previously served as assistant athletic trainer at the University of Northern Colorado (1984-85). He was head athletic trainer at Northeast High School in Lincoln, NE (1983-84).

Chambers earned his B.S. degree at the University of Nebraska where he served as a student athletic trainer for four years. He just finished work on his M.A. in physical education at Northern Colorado. Jeff is married, and his wife's name is Kathy.

Nov. 2	MO Southern*	Joplin, MO
Nov. 9	Emporia State*	Home

*Indicates CSIC Games

TODAY'S GAME

Today's contest will pit the two CSIC schools with the best records, Fort Hays State (5-0-1, 3-0-0) and Pittsburg State (4-1-0, 2-1-0). It also features a drastic difference in the way each team moves the ball on offense. The Tigers are the conference's leading passing team with an average of 353.3 yards per game, while the Gorillas lead the CSIC in rushing with a game average of 257.0.

Pittsburg State came into the '85 season with the attitude of rebuilding a program that had been a CSIC powerhouse. First year coach Dennis Franchione had a very successful program at Southwestern (KS) and has put together a winner in his first season at PSU. The Gorillas' interim head coach in 1984 was Mike Mayerske who is still on staff as the running back coach. Mayerske's presence undoubtedly made the transition smoother for Franchione.

Fort Hays State for the first time since 1983 and only the third time in the history of the program has gone unbeaten in its first six games. The Tigers won their first six games in 1983 while compiling an 8-3 season record. FHSU lost to Pittsburg State, 29-25, in the seventh game of the 1983 season which was the first loss of three consecutive defeats. The only other year the Tigers accomplished such a good first half was 1917 when a 7-0 season record was registered in the books.

The individual participants to watch today are many. The Gorillas' running attack features quarterback Gene Stegeman (5-10, 170). Stegeman has run for six touchdowns and averages 4.1 yards a carry. The sophomore signal caller was the offensive star of the game last week against Washburn with 108 yards rushing and three of his six touchdowns. Pittsburg State defeated the Ichabods, 35-18. The Gorilla ground game is complemented by the likes of fullback Bruce Stancell and tailback Rodney Lewallen. Stancell is a big bruising-type runner that averages 87.2 yards a contest and 4.5 a rush. At 6-2, 210, Stancell has carried the pigskin 96 times for a season total of 436. Lewallen has an outstanding average per attempt 7.8 and his season numbers are impressive as well, 47 for 366 and 73.4 a game.

Of course with the Fort Hays State air show on display at Lewis Field the players to watch are numerous just on the Tiger side of the ball. Robert Long is in the midst of a record breaking season. Long now has 15 Tiger records to his credit. The senior from Macon, MO is currently chasing single season NAIA records and is on a pace that would ensure him of new marks in passes attempted, passes completed, passes completed per game and yards gained.

The receiving corp of Eric Busenbark, Kip Stewart, Ralph Humphrey and Randy Knox are making Long's quest for the big numbers an easier task. Busenbark, a junior from Larned, KS, has been on a roll of late with 26 receptions in his last two outings. Busenbark has established new marks in single game yardage (220 vs. Kearney State) and single game catches (16 vs. Wayne State). These four, along with running back Terry Thomas, have caught 165 of the 175 completed passes for 2028 yards. All five players have caught at least 20 passes and gained 250 yards in receiving.

Fort Hays State has lost in its last three meetings with Pittsburg State. The Gorillas defeated FHSU 20-13 at Pittsburg last season. The Tigers will be looking to reverse the trend and start their own winning streak against PSU in today's action.

CENTRAL STATES STANDINGS

	CSIC	PTS	OPP	OVERALL	PTS	OPP
Fort Hays State	3-0	78	56	5-0-1	166	102
Pittsburg State	2-1	74	62	4-1	112	88

Coca-Cola FEATURE PLAYER OF THE WEEK

A native of Larned, KS, Eric Busenbark has set FHSU receiving records in each of his last two games. Busenbark hauled in 10 catches for 220 yards on homecoming to help the Tigers defeat Kearney State, 35-28. The 6-1, 190-pound slotback broke a record established in 1971 that was held by John Woodworth (200 yards in a single game). Last weekend, Busenbark set a new mark for catches in a game with 16 receptions against Wayne State. The record he broke was once again Woodworth's (15 receptions). The junior receiver leads Fort Hays State in balls caught with 54 and receiving yardage with 672 yards.

8	Rollie Greeno, Jamestown ND	100
9	Gil Krueger, Wisconsin-Superior	99
10	Joe Fusco, Westminster PA	96

TIGER BOOSTER CLUBS

Contributors to the Fort Hays State University athletic program can join one of several booster clubs depending on the amount of their contribution.

The Black and Gold Club is for contributions of \$5 to \$99. Features of this club include a membership card entitling holder admittance to Tiger Rooms, schedules of athletic events, the athletic newsletter, priority on purchase of football and basketball season tickets and special events and travel.

A \$100 to \$250 donation enables contributors to be classified as Century Club members. Besides the above mentioned features, members receive their name in athletic programs.

Another popular booster club at Fort Hays State University

is the Tiger Beef Club. Membership in the Beef Club is awarded to interested boosters who contribute a steer or cash (\$250 or more) each year. Proceeds from the sale of such livestock go directly into the department's budget. Beef Club contributors, in addition to above, receive a reserved parking space at athletic events.

The highest level of membership is the President's Club, Flying Tigers and President's Round Table for contributions of \$1,000 or more. These club members have top priority on purchase of football and basketball season tickets, VIP parking, and are eligible for all the features of the other clubs.

Watch FORT HAYS STATE FOOTBALL
Thursdays at 10:30

KAYS-TV 7

Featuring
COACH JOHN VINCENT

With
HOST WYATT THOMPSON

"Fort Hays State Football" returns to KAYS TV 7 in 1985 after an overwhelming response. The 30-minute TV show features Tiger Head Coach John Vincent along with taped highlights, guest players and staff members, interviews with opposing coaches, and statistical information. You'll want to watch for "Fort Hays State Football" aired Thursdays at 10:30 p.m. on KAYS TV 7.

FOSTER PARENT PROGRAM

The Fort Hays State University Athletic Foster Parent Program began four years ago by Tom Stromgren. The purpose of this program is to provide a supportive, family-type experience for the student athlete who is away from his/her home. This program has proven to be a positive experience enriching the lives of both the athlete and the foster family. If you would be interested in becoming a foster parent, please contact the athletic office at

(913) 628-4050

Pat Poore, Foster son of the Mike Karl Family

Tiger Records

UNIVERSITY ANTHEM

On the plains of Western Kansas
Stands a school we all love well.
'Twas built by the toil of our fathers;
To its glory our voices swell.

Chorus;
Hail to old Fort Hays State!
Let your voices ring
Praise for the Black and Gold
We will ever sing
Long may our valor last
Through the future days
Hon'ring and praising
Dear Fort Hays.

In the years that lie before us
We foresee our land's many needs.
Through the efforts of new generations,
We'll go on to more noble deeds.

FHSU Fight Song

Go you, Hays Tigers,
Fight right through that line.
With your colors flying
We will cheer you all the time.
Rah, Rah, Rah.

Go you, Hays Tigers,
Fight for victory.
Fight for the fame of our fair name,
Go Hays Tigers
Win this game.

So I run straight toward the goal in order to win the prize, which is God's call through Christ Jesus to the life above.
Philippians 3:14

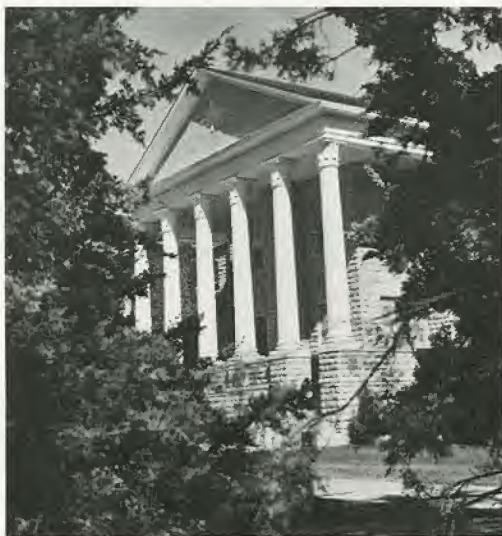

TEAMWORK IS GIVING

Teamwork is giving with no thought of receiving.
It's being sincere and in sincerity believing.
It's someone to talk to and someone talking to you.
It's telling and hearing what is true.
It's knowing that when not around you are missed.
It's trying to help anyway you can if even it's only to understand.

It's a willingness to learn how to give more.
It's getting it done without keeping score.
It's trusting in faith each and every day.
It's knowing you rate in a very special way.

"WE'RE NO. 1" ...

The Tigers are NUMBER ONE in America and so is Fort Hays State University. This liberal and applied arts university has been serving the needs of its students for more than three-quarters of a century. Ours is a heritage of educational excellence and the future holds promise of more of the same. Come study with us. We will prepare you for an exciting and rewarding career.

NATIONAL ASSOCIATION OF INTERCOLLEGIATE ATHLETICS

The National Association of Intercollegiate Athletics (NAIA) is a completely autonomous association, currently administering program of intercollegiate athletics to over 500 fully-accredited colleges and universities of moderate enrollment. The fundamental tenet of the NAIA is that intercollegiate athletics is an integral part of the total educational program of the institution. This belief is strongly reflected in the governing documents, activities and organizational structure of the Association.

HISTORY AND PURPOSE

Established in 1940 as the National Association of Intercollegiate Basketball (NAIB), the NAIA emanated from a "National Small College Basketball Tournament" inaugurated in 1937 in Kansas City, Missouri. The conversion of the NAIB to the NAIA came in 1952 when the organization expanded beyond basketball and added national championship events in golf, outdoor track and field and tennis. Football, cross country, baseball and swimming were added to the championship event calendar in 1956, and wrestling (1958), soccer (1959), bowling (1962-78), gymnastics (1964), indoor track and field (1966), ice hockey (1968-84) and volleyball (1969-80) were later additions.

Of major significance to the NAIA, was the establishment of the women's division within the Association on August 1, 1980. The NAIA decision to offer competitive opportunities and championships in women's athletics was passed by the membership following two years of study and proposals by an ad hoc committee on the implementation of a women's division in the NAIA. Currently, the Association conducts ten championship event programs for women in the sports of basketball, cross country, gymnastics, indoor track and field, outdoor track and field, softball (fast pitch), soccer, swimming, tennis and volleyball.

The initial purpose of the NAIA — to provide national championship athletic opportunities to institutions below the so-called "major" level — has indeed been well served. The Association clearly outlines its own responsibilities and those of its members: a sound athletics program, administered and controlled by those responsible for the administration of the institution. This means direct supervision in caliber of competition, financing of the program and taking steps to assure that financial assistance is made available only through the institution and under the same general policies as aid to all students. In short, the basic component of the overall educational process and not an entity apart.

ADMINISTRATION

The governing body of the NAIA is the National Executive Committee, composed of ten persons elected by the membership. The Executive Committee is responsible for establishing the policies and determining the overall direction of the Association. The Executive Committee appoints the Executive Director, who conducts the business and day-to-day operation of the National Office headquartered in Kansas City, Missouri. A full time staff of thirteen serves the membership from the National Office.

The District is the basic unit of the NAIA. The Association is organized into 32 geographical districts spread over the 50 states and a part of Canada. Each District is governed by a District Executive Committee, the chief officer of which is the District Chair. The District Executive Committee establishes a program of championship events in various sports and individual/team championships of those district events are qualified to compete in NAIA Area and National Championship competition.

Eligibility rules within the NAIA govern all play in all sports recognized by the Association, not just post-season play. All eligibility guidelines must be adhered to by all members, including those holding dual affiliation with other associations. Certification of eligibility of all NAIA student/athletes is accomplished through a network of individuals which includes the faculty athletics representative of each institution, the District Eligibility Chair, and the National Eligibility Committee.

MEMBERSHIP

Any four year college or university and upper level two-year institution in the United States and Canada that awards the bachelor's degree or equivalent, may hold active NAIA membership. Active member institutions must be fully accredited by an appropriate accrediting agency or commission.

OBLIGATION OF MEMBERSHIP

Member institutions must conduct their intercollegiate athletics programs with the standards of the regulatory associations in which they hold membership, and the NAIA. They must pay their annual membership dues and be in support of the policies of the NAIA. Where institutional rules and standards are more stringent than those of the regulatory group or the NAIA, those rules and standards of the institution are recognized and supported by the NAIA.

LEWIS FIELD

Lewis Field Stadium, the 7,000-seat home of the Tigers, was constructed in 1936 on what was formerly the Golden Belt Fairgrounds, and named in honor of William Alexander Lewis, president from 1913 to 1933.

The native limestone structure is located beside a spacious tree-lined drive and is just a short walk from the campus residence halls and the downtown business district.

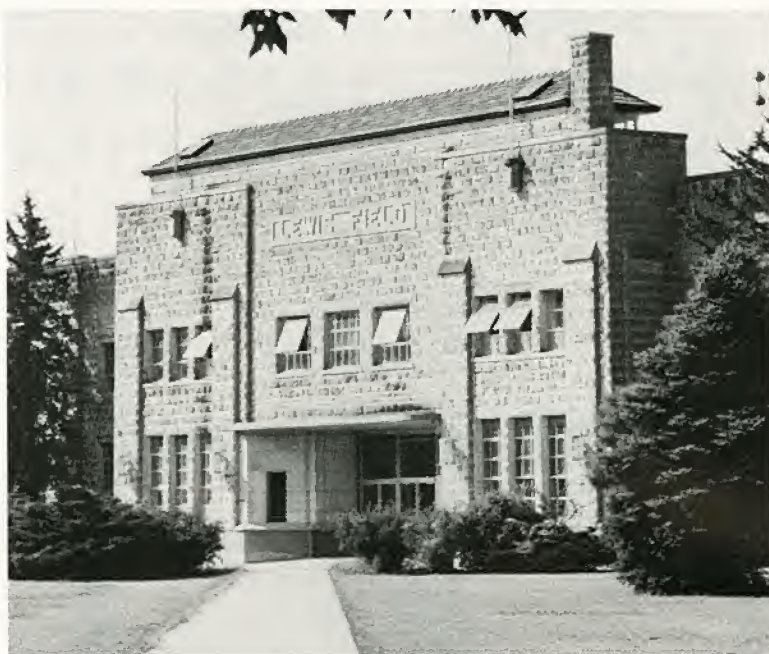

The stadium turf is Bermuda grass, the same strong-rooted plant used in golf course greens.

Dressing rooms, concession areas, restrooms, athletic training facilities, and equipment storage rooms are located under the grand-stands.

Fans are admitted through two main gates located on both the east and west sides, with four ticket windows in service for the game.

Atop both the east and west grandstands are press box facilities which provide seating for writers and statisticians, three radio stations, scouts, and three film crews.

An eight-line, cinder track surrounds the playing field and adjacent to the stadium are regulation size practice facilities.

GO, TIGERS!!!

Quarterfinals	December 7
Semifinals	December 14
Championship	December 21

Division II

Quarterfinals	November 23
Semifinals	December 7
Championship	December 14

FOOTBALL COACHES ASSOCIATION

The NAIA Football Coaches Association (NAIA-FCA) is an organization of football coaches at NAIA member institutions.

The NAIA-FCA provides coaches with a strong voice in the establishment of rules, standards and formats for the NAIA football program and championship playoffs. Members of NAIA-FCA serve on important national committees such as the Rating Committee, All-America Committee and Academic All-America Committee.

The annual business meeting of the NAIA-FCA is held each January in conjunction with the American Football Coaches Association (AFCA) National Convention.

DIVISIONS AND AREAS

Institutions which sponsor football are classified into one of two competitive divisions for playoff purposes (Division I & II). Division classification is basically made by institutional choice with consideration of financial aid, level of competition, enrollment and other factors regarding the philosophy of athletics at the college or university. A review board meets every two years (even-numbered years) relative to divisional reclassification requests.

Each football division is divided geographically into four areas, numbered 1-4, for the purpose of national ratings and post-season-playoff selection. An effort is made to maintain a workable balance in the number of teams within each region.

RATERS AND RATINGS

Teams selected for participation in the NAIA Championship Football Playoffs are determined by the NAIA National Top 20 Football Ratings, compiled weekly throughout the regular season. The top 20 rating is based on the balloting of 16 raters in each division. Members of the NAIA Football Coaches Association serve as the raters, four from each geographical area within each division. Playoff participants are selected from the final regular season top 20 rating.

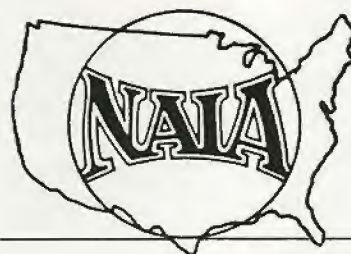

SELECTION OF TEAMS

Institutions which have declared their intent to participate in the NAIA Championship Football Playoffs by September 15, in compliance with NAIA rules and standards, can be

selected for a quarterfinal playoff game by the following guidelines:

1. Ranked in the top 12 teams of their respective divisions in the final regular season football rating.
2. The top-ranked team from each of the four geographic areas in both divisions, within the top 12 rated teams, are selected for a quarterfinal game berth. The next four highest ranked teams (regardless of geographic areas) are also selected.
3. In the event one or more areas are not represented among the top 12 teams in the final ratings, then the highest rated teams (regardless of geographic areas) will be selected.
4. Teams with four or more non-winning games in either division cannot be selected.
5. No more than two teams from the same conference may be selected.

Eight teams are selected for the NAIA National Football Playoffs with a total of seven games played on three weekends in each division.
